

NOV 7TH, 2023
MEETING OF NEW BOARD OF MANAGEMENT

New board aims:

Trained: Ceist will provide training to the new Board. Very important and informative

Space: Need for new building/ extension. Prefabs/more classrooms needs in the next academic year, design team to finalize plans and get it to the planning authorities

Board likes to be informed about Teaching & Learning

Teachers engaged in CPD and will report to Board via principal

Positive experience for all students of school and school life.

Stay abreast of developments/new circulars

Support Principal in all aspects of school management

Financial Management

The Board will aim to link all stakeholders/try to keep stakeholders informed of what's happening

Build Leadership Capacity.

Trying actively to get a Parents Association up and running: Don't want to form a committee.
