Rationale

Our school uniform identifies each student as a pupil of Cnoc Mhuire. It is a fundamental aspect of the school identity. We expect each pupil to wear the school uniform with dignity and pride and to be aware that, when in uniform, each pupil represents themselves and the whole school community. It is expected that the uniform is kept clean and maintained to the highest standards and that students wear it with pride. Cnoc Mhuire provides an environment conducive to attaining high standards of teaching and learning. The school uniform is one of the ways in which a positive climate of learning is achieved. It reinforces a sense of pride among students in the school especially when representing the school in sporting or extracurricular activities and during whole school events.

Aims & Objectives

1. Wearing the school uniform helps to promote a positive school image.
2. It makes pupils recognisable as members of the school. Pupils can clearly be distinguished from intruders and makes the school a safer environment for all.
3. It reduces the expense to parents of regularly having to purchase clothes if there were no uniform.
4. Wearing the uniform creates a sense of equality among all students and eliminates competition.
5. The wearing of a uniform contributes to better order on the school premises and represents a visible commitment to the rules and school policies.
6. Wearing the uniform reinforces pride among the pupils particularly when representing the school in sporting or extra-curricular activities.

2. For students who develop a pattern of coming to school out of uniform, their Parent/Guardian will be contacted and the appropriate measures adopted as the school authorities deem fit. Students in breach of any school policy will be dealt with in accordance with the school's Code of Behaviour, this may include a parent/guardian being requested to collect the student from school until such time as the student is in a position to comply fully with the school uniform (including footwear) requirements.
